

Paschal Billboards are going up all around the valley in 2017. During this Holy Season there will be TEN billboards up in our area announcing the Resurrection of Christ in Youngstown, Warren and Sharon. Total weekly impressions 453066 X 4 weeks = OVER 1.8 MILLION cars pass these billboards within the 28 days they're up. If the car has another person in it, well, do the math. THEN, if someone does not rent these spaces after the 28 days, they stay up until somebody else rents them. That gives us more time to witness our Orthodox Faith. So the next 40 days, when you say "CHRIST IS RISEN!" you are saying it to 2 million people. Your parish sisterhood, youth group, or friends want to support this ministry. Talk it up to your parish priest and board members. Start a team to collect donations for the next few weeks and send them to the EASTERN ORTHODOX CLERGY ASSOCIATION- PO BOX 1100 – Youngstown, OH. 44501/ before Memorial Day 2017, please. / Thank You. Remember this project may be the spark that motivates the faithful to go forth like those in the book of Acts, when the Church increased well beyond their expectations, and with God's help, our parishes could do likewise.
